

Biography and scientific

First: Personal Information

Full Name and Surname: Abd Ali Hamad Khalaf Al-Dulaimi

Place and date of birth : Iraq - Anbar - 1965

Marital Status: Married

Number of children : 7

Religion : Muslim

General Specialization : *Statistics*

Specialization: Applied Statistics - Time Series

Degree : Professor

Mobile : 07831044045

Email : abidh1965@uoanbar.edu.iq

Second: Academic qualifications.

Degree	University	College	Date
Bachelor	University of Mosul	Administration and Economics – Department of Statistics	1987
Master	University of Mosul	Administration and Economics – Department of Statistics	1990
Phd	Sudan University of Science and Technology	Science– Department of Applied Statistics	2011

Third: Career Progression

1	RAPPORTEUR OF THE DEPARTMENT OF MATHEMATICS - COLLEGE OF EDUCATION FOR GIRLS - ANBAR UNIVERSITY FOR THE PERIOD FROM 30/9/1991 TO 15/9/1992
2	Head of Mathematics Department - College of Education for Girls - Anbar University For the period from 16/9/1992 to 1/7/1996
3	Rapporteur of the Department of Economics - College of Administration and Economics From 4/3/2015 to 17/7/2017
4	Assistant Dean for Registration and Student Affairs – College of Administration and Economics from 18/7/2017 to 31/8/2017
5	Dean of the College of Administration and Economics 2021-11-3

Fourth: Scientific Research

T	SEARCH NAME
1	CUBIC SLICES FUNCTIONS - A THEORETICAL AND PRACTICAL STUDY, JOURNAL OF MESOPOTAMIAN DEVELOPMENT, ISSUE (36), 1992
2	Proposing a mathematical model to predict monthly temperatures in the city of Derna using Box-Jenkins models for the period 1990-2003, Journal of the Iraqi Geographical Society, Vol. (1), No. (4), 2009
3	Proposing a mathematical formula to verify the validity of the product of any two integers using the scale (9) and verify it using a computer, Anbar University Journal of Economic and Administrative Sciences, Volume (4), Issue (8), 2012
4	Forecasting the quantities of electrical energy consumed per month in Anbar Governorate for the period 2013-2014, Anbar University Journal of Economic and Administrative Sciences, Volume (7), Issue (14), 2015
5	The Regional Sphere of Influence of the District of Anah , Journal of Geographical Research, Issue (23), 2016
6	Using Spectroscopy to Build a Mathematical Model to Predict Monthly Temperature Rates in Ramadi City, Journal of the Islamic University for Economic and Administrative Studies, Vol. (1), No. (25), 2017
7	Use GARCH Models to Build a Econometric Model to Predict Average Daily Closing Prices of the Iraqi Stock Exchange for the Period 2013-2016 ,Webology, Vol.18,2021
8	Sustainable solutions to the problem of poverty resulting from displacement in the liberated governorates, Anbar University Journal of Economic and Administrative Sciences, Volume (11), Issue (25), 2019
9	Using Time Series Methods to Quote the Trading Prices of the Iraq Stock Exchange for the Period 2005-2018, Anbar University Journal for Economic and Administrative Sciences, Vol. (11) Issue (27), 2019

10	Measurement and Analysis of US tight oil Determinants :An applied study for the period (2004-2019), Opcion , No. 20 (2019)
11	Using Data Envelopment Analysis to Measure the Efficiency of the Scientific Departments of some faculties at University Of Anbar. Psychology and Education ,57(4) ,2020
12	Using Time Series Analysis to Forecast the prevalence of the COVID-19 Pandemic (Iraq and Gulf Cooperation Council countries (GCC)). JOURNAL OF CRITICAL REVIEW ,VOL.7(15),2020
13	Jackknifing K-L estimator in Generalized linear models, International Journal Of Nonlinear Analysis And Applications,Vol.12, Special Issue, 2021
14	The impact of monetary variables on the share prices of the banking sector using multiple regression (steps) for the period 2005-2019 - Tikrit Journal for Administrative and Economic Sciences - Volume (16) Issue (52) Part 2 (2020)
15	Measuring Returns And Contagion Of Investor Behavior In Iraq Stock Exchange Using Multivariate GARCH Model. Psychology and Education ,57(5) ,2020
16	Using the (GMM) Model to Measure the Impact of Competition on Bank Liquidity Risks: An Applied Study on the Iraqi Private Banking Sector for the Period (2011-2019) Anbar University Journal of Economic and Administrative Sciences, Volume (14) Issue (4), (2022)
17	Jackknifing K-L estimator in Poisson regression model, periodicals of Engineering and Natural Science, Vol.10,No.2,2022
18	The role of banking competition in reducing capital risk using the generalized moment method (GMM) (study Applied in the Iraqi private banking sector for the period 2011-2019) Accepted for publication in the Journal of Financial and Accounting Sciences
19	Assessing the role of monetary policy in achieving monetary and economic stability in Iraq for the period 2004-2020 –Tikrit University Journal for Administrative and Economic Sciences, Vol. (18), No. 58 (2022)
20	The possibility of predicting the financial stability indicators of the Iraqi banking sector using time series methods Until 2025, accepted for publication in the Journal of Administrative Business Economics for Applied Research, Volume 4, 2023

Fifth: University teaching.

t	Entity (Institute / College)	University	Period from – to
1	College of Education for Girls – Department of Mathematics	Anbar University	1991 – 1999
2	College of Administration and Economics – Department of Economics	Atbar University	2011- Till now

Sixth: - The courses that you have taught

A- (Preliminary Studies)

<i>GENERAL STATISTICS</i>	<i>ECONOMIC STATISTICS</i>	<i>ECONOMETRICS</i>	<i>OPERATIONS RESEARCH</i>	<i>MATHEMATICAL STATISTICS</i>
<i>Advanced Math</i>	<i>Mathematics for Economists</i>	<i>Biostatistics</i>	<i>Possibilities</i>	<i>SPSS Computer Applications</i>
<i>Geographical Statistics</i>	<i>Quantitative Analysis</i>	<i>Design Experiments</i>		

b) - (Postgraduate Studies)

1- Courses you taught: -

-Econometrics (for master's students) - College of Administration and Economics - Department of Economics.

- Quantitative analysis (for master's students) - Faculty of Arts - Department of Geography.

- Life Statistics (for master's students) - College of Education for Girls - Department of Life Sciences.

- Advanced Statistics (for Master's Students) College of Administration and Economics - Department of Business Administration

- Statistics (for Master's students) - Faculty of Arts - Department of Sociology

- Statistics (for master's students) - Faculty of Arts - Department of Media

2- Supervision and discussions

A- Supervision

1- Anwar Rashid Khalifa (2020) Using (Garch) models to predict the daily trading indicators of the Iraq Stock Exchange for the period 2013-2018. Master's thesis in Economics - College of Administration and Economics - University of Anbar.

2- Ibrahim Ismail Khalifa (2020) The effect of monetary variables on stock prices using multiple regression (stops) An applied study in the Iraqi economy for the period 2005-2019. Master's thesis in economics - College of Administration and Economics - Anbar University

3- Jawad Shaker Freih (2020) Evaluation and construction of a standard model for macroeconomic policies in Iraq for the period 2004-2020. PhD thesis in Economics - College of Administration and Economics - University of Anbar.

4- Nihad Nouri Alwan (2020) Measuring the relationship between competition and banking risks - an applied study on the Iraqi private banking sector for the period 2011-2019. Master's thesis in economics Master's thesis, College of Administration and Economics, Anbar University

5- Jamal Askar Ahmed (2021) Using Time Series Methods to Predict Financial Stability Indicators in Iraq until 2025, Master's Thesis - Economics - College of Administration and Economics - University of Anbar. 16

6- Ibrahim Ismail Ahmed (2022) The impact of economic shocks on the performance of the Iraqi banking sector for the period 2004-2022, PhD thesis - economics - College of Administration and Economics - Anbar University

B. Discussions and Assessment

- Member of the discussion for (18) master's thesis and (8) doctoral thesis
- Scientific constituent for more than (30) master's and doctoral theses.
- Evaluation of more than (40) scientific research for many scientific journals and scientific promotions.

Seventh: Participation in local and international conferences

t	Conference Name
1	Specialized Geographical Conference at Anbar University - College of Education for Girls - 1994
2	The First Educational Conference on Education in Anbar Governorate - 1995
3	The first scientific conference of the College of Education for Girls - Anbar niversity - College of Girls - 1996
4	The First Conference of Iraqi Returning Competencies - Ministry of Migration and Displacement - 2013
5	The First International Scientific Conference of the Faculty of Administrative and Financial Sciences at Cihan University-2017
6	The Ninth International Conference of Al-Maaref University College - 2018
7	The First International Conference (Moderation in Religious and Political Discourse and its Impact on Promoting Community Development) -Anbar University – 2018
8	The Third Scientific Conference of the College of Administration and Economics - Anbar University-2019
9	Al Karkh University of Science National Electronic Conference -2020
10	The Sixteenth Scientific Conference (Third International) for Statistical pplications -2021
11	The fourteenth scientific conference of the College of Administration and Economics - University of Basra - 2021
12	The First International Scientific Conference of the College of Administration and Economics - Al-Mustansiriya University-2022
13	The Second Annual International Scientific Conference – Ministry of Finance – Financial and Accounting Training Center-2022

- Eighth:** - Thanks and administrative and scientific committees in the college and outside
- Thank you letter from the Minister of Higher Education and Scientific Research No. (8)
 - A letter of thanks from the Speaker of the Iraqi Council of Representatives
 - Letters of thanks and appreciation from the President of the University during my tenure number (27).
 - Letters of thanks and appreciation from the deans of the faculties number (12).
 - Chairman of the Preparatory Committee for the Third Scientific Conference of the College of Administration and Economics - Anbar University-2019
 - Member of the Advisory Board of the Anbar University Journal of Economic and Administrative Sciences.
 - Head of the Administrative and Economic Advisory Office of the College of Administration and Economics - Anbar University.
 - One of the trainers for graduate students at Anbar University.
 - Chairman of the Committee for the Development and Modernization of Curricula for Statistics Departments in the Faculties of Administration and Economics
 - Chairman of a committee and a member of more than (100) committees inside and outside the college.
 - Participation in (40) scientific seminars and workshops inside and outside the university.

- **Ninth: Development Courses:**

- **Participation in the development program for university leaders - Anbar University**
- **Participation in the training course in contemporary creative leadership - Anbar University**
- **Participation in the educational rehabilitation course - Anbar University - Teaching Methods Center**
- **Participation in the qualifying course in computer systems and programs (information technology - Windows system - Microsoft Word - Excel - Internet technology)**
- **Participation in the English Proficiency Course - University of Baghdad - College of Education for Girls**
- **Participation in the statistical analysis course using the SPSS program**
- **Participation in the statistical analysis course using the Minitab program**
- **Participation in the course of statistical analysis using the R language**
