Speaking: An Awful Trip

- Imagine a friend has been on a really awful trip and everything went wrong. What should your friend have done? What shouldn't he or she have done?
- Your friend spent hours in the sun and got a sunburn.
- Your friend drank tap water and got sick.
- Your friend stayed at a very bad hotel.
- Your friend's wallet was stolen.
- Your friend overslept and missed the flight back.

Unreal Conditional Sentences with If Clauses

- Imaginary situation (Simple Past) + Possible Consequences (Would / Could or might + V B.F)
- If I found 40000\$, I would keep it.
- If you had three months to travel, where would you go?
- If she were here, she would help us.
- If I were you, I would study hard.
- If I had a car, I would drive to work.

Past Modals

- Use (would have) or (Should have) + past participle to give opinions or suggestions about actions in the past.
- What should I have done?
- What would you have done?
- You should have told her about it.
- You shouldn't have lied to your sister.
- I Would have called him.
- I wouldn't have texted him.
