Opening Folders or Programs

To open a folder or program from the desktop, you can either double click the icon with the left button of your mouse, or click it once and then press Enter on your keyboard

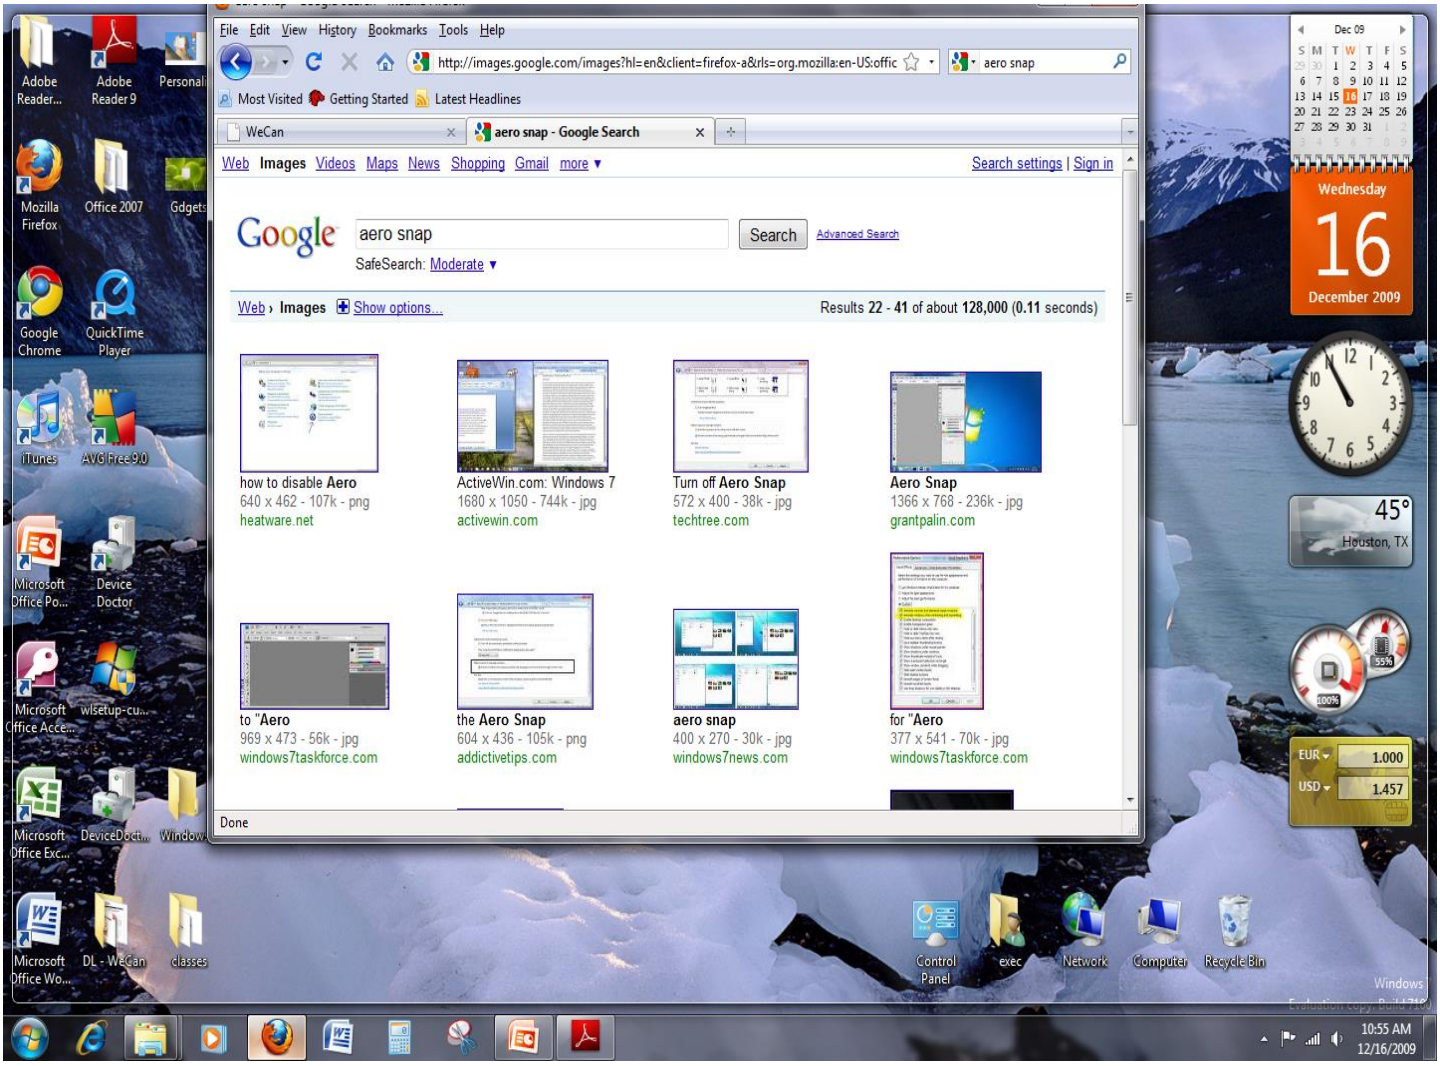
Desktop (Resizing and Moving Windows)

- ✓ To resize a window, move the mouse over a border until the pointer changes into a two-headed arrow, and then drag until the window is the size you want.

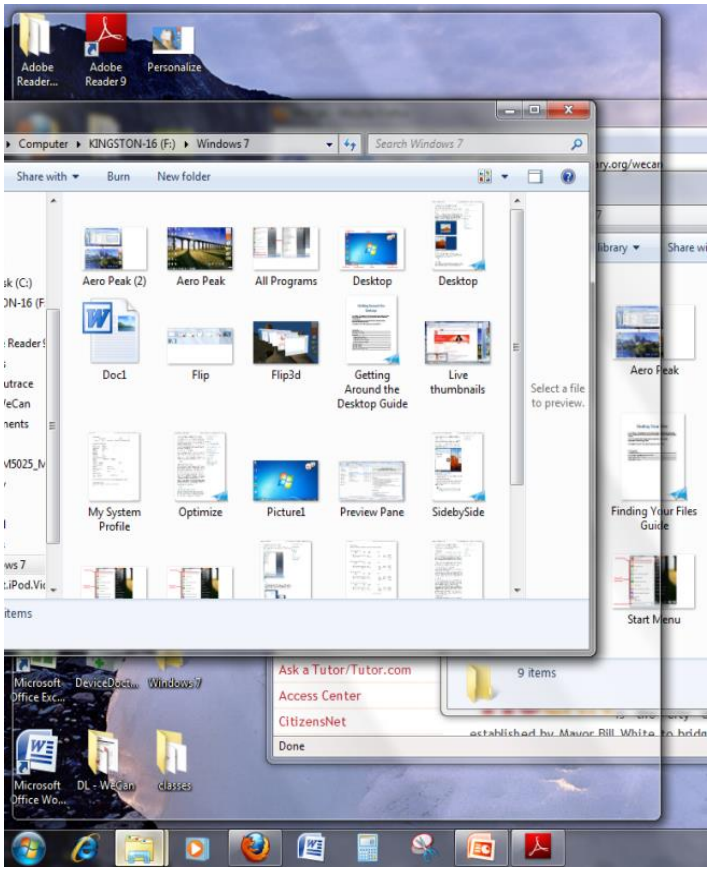
- ✓ To move a window, point to the window's title bar, drag the window to a new location, and then release the mouse button

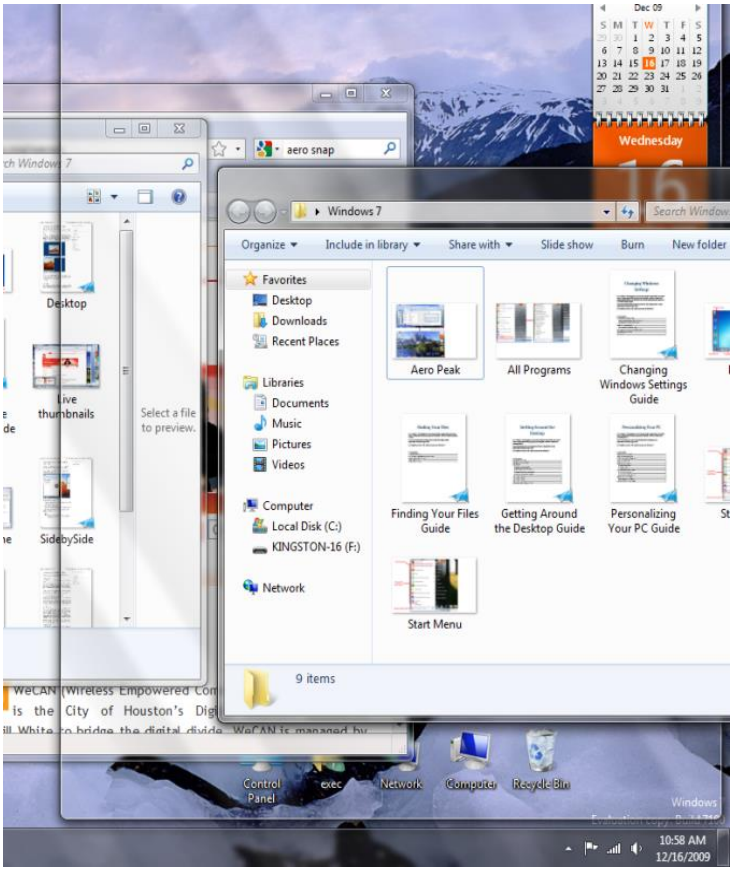
Desktop (Aero Snap)

To maximize a window, point to the window's title bar, drag it to the top of the screen and then release the mouse button



To see two windows side by side, drag one to the right of the screen until it snaps and the other to the left.

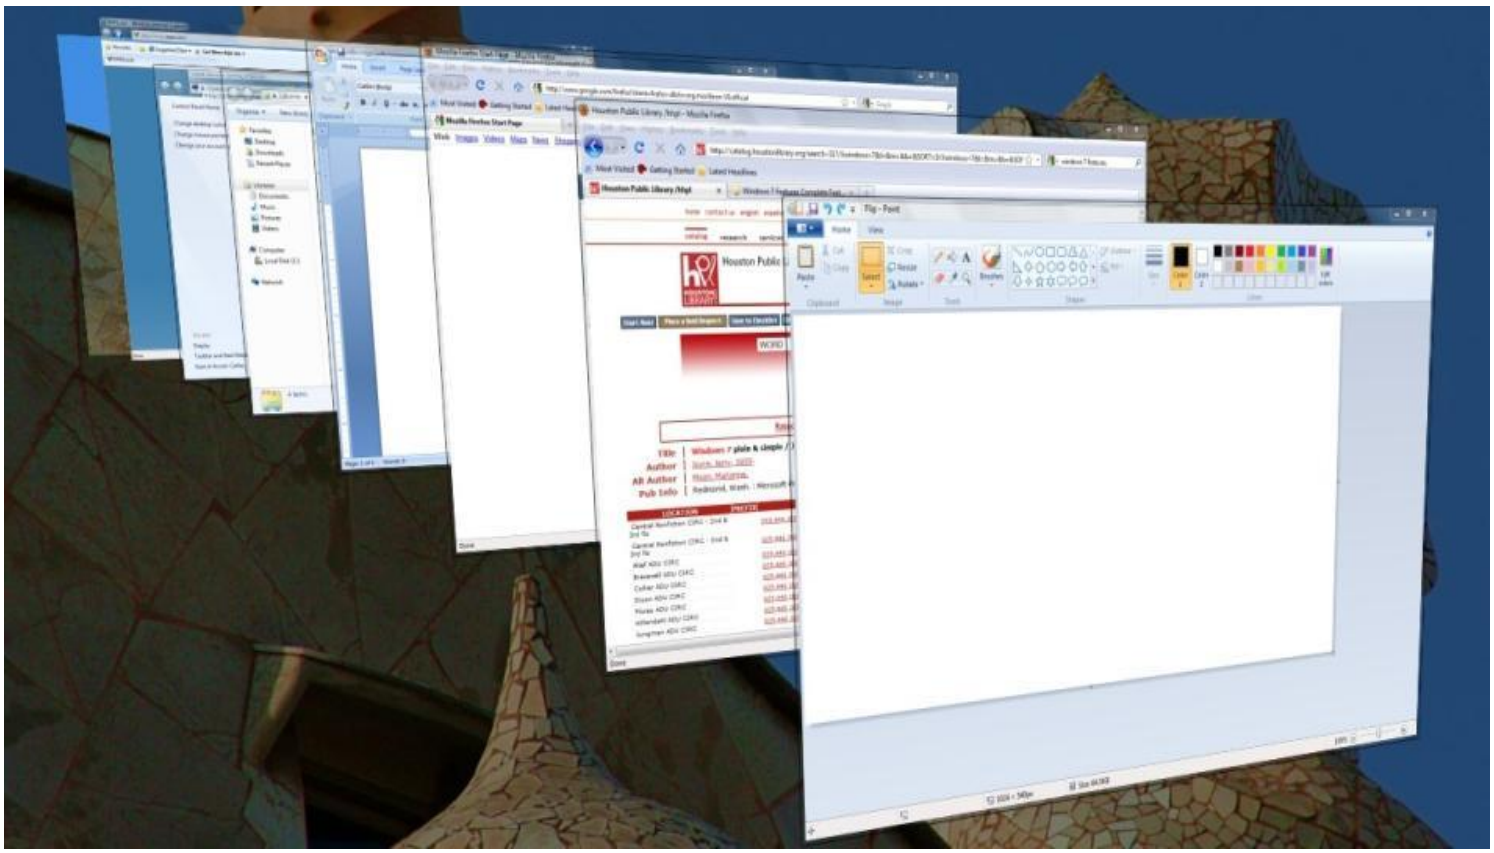




Flip and Flip 3D

Flip and Flip 3D allow you to take a look at all your open windows and choose the one you want to work with.

- **Flip: Alt + Tab**
- **Flip 3D: Win + Tab**



Aero shake

Aero Peak

To take a look at your desktop, making all your open windows transparent, move your mouse over the Show Desktop Button.

- To minimize all your open windows, click on the Show Desktop Button.
- To restore all the windows, click the Show Desktop Button again.
